If you want your MPP to REPRESENT YOU to the GOVERNMENT, vote FOR DEMOCRACY and AGAINST MMP on OCTOBER 10.

On October 10, 2007, as part of the next Provincial election, Ontarians will be asked if they want to replace our current electoral system with a Mixed Member Proportional (MMP) form of voting. To achieve the single goal of proportionality, the proposed MMP system shifts power from the local voter and riding to the power brokers at Queens Park:

Do you want...

17 fewer local ridings, covering more territory, with less contact with your local representative?

39 politicians chosen by other politicians ... not you?

Closed door party deal-making for weeks after elections, to decide who governs the Province?

Tax dollars paying for 22 more politicians and their staff at Queens Park?

A confusing ballot and vote counting system?

A weaker, indecisive Ontario?

Fringe parties holding the balance of power with 2 or 3 seats?

On October 10th Vote to keep our present voting system!

*QUESTION*

In short, why should I vote against MMP?

*ANSWER*

Because it is a convoluted and confusing system that dilutes representation, weakens accountability, and gives more power to political parties at the expense of voters just like you and me. In short, MMP makes democracy weaker in Ontario. Just say no to MMP!
